HONDA HILLS ADVERTISING PACKAGES 2023

Why Advertise With Us?

Honda Hills draws riders and spectators from across America. This nostalgic track offers businesses the opportunity to promote themselves to thousands of individuals and other businesses each year. Each event draws more attendees. Hondahills.com, FaceBook, Instagram and Youtube received thousands of likes, shares and views last year and continues to grow. Join the growing number of sponsors and receive the exposure on social media and at the facility that your business deserves. Honda Hills hosts many different types of events that diverse audiences attend. The commitment of the owners and staff to continue to grow and further promote and develop this historical track is unmatched.

Honda Hills is a legendary facility. Founded in 1969 by the legendary Hall of Fame Flat Track rider Dick Klamfoth, the track was the place to ride in the 70s, 80s and 90s.

Through thousands of hours of hard work, sponsorship support, volunteers, friends and family, events began in 2021 including our first official ride in November on the revitalized original Honda Hills track.

In 2022 we continued the revitalization process and had our first sanctioned OMA race since reopening. This year brings unprecedented excitement as we announce a schedule with 6 sanctioned races, multiple open practices and a Summer Festival.
