HONDA HILLS ADVERTISING PACKAGES 2024

Why Advertise With US?

Every year our sponsor numbers grow, and exposure grows on social media and at the facility. We host many different types of events that anyone can enjoy. Lastly and most of all, you will not find a group willing to work harder to bring Honda Hills back to its original prominence and to promote your business.

Honda Hills was once a legendary facility in the 70s, 80s, and 90s. It unfortunately closed down in 2008 and few believed it would ever reopen. It has taken an army, but in 2021 Honda Hills reopened officially.

With a lot of hard work, help from sponsors who believed in our vision and plenty of volunteers, friends, and family, events began in 2021 including our first official ride in November.

It's amazing to think we're heading into year 3 of racing at Honda Hills. 2024 is going to be the best year yet. Friday Night Series is BACK!!! Hosting our first Buckeye Series Race, second AHRMA National, MERP GP is back for another year, 4- OMA Race weekends, 2- JORR Series Races and our First Ever "Conquer the Hills" Honda Hills GP to finish off the race season.
